UNITED STATES OF AMERICA
DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY
WASHINGTON, D.C.

Issued by the Department of Transportation
on the 10th day of May, 2000

Application of

TRANS BORINQUEN AIR, INC.

Docket OST-00-6777 - 4

for a certificate for foreign charter all-cargo air
transportation under 49 U.S.C. 41102

ORDER DENYING CERTIFICATE

By Order 2000-4-20, issued April 19, 2000, we found that Trans Borinquen Air, Inc., did not meet the U.S. citizen requirements of the Statute, and denied it the interstate charter all-cargo section 41102 certificate authority it sought.

By this order, we are denying Trans Borinquen Air, Inc., the companion certificate-it sought to engage in foreign charter all-cargo air transportation. Instead of repeating our findings and conclusions in Order 2000-5-9, we incorporate them here by reference.

ACCORDINGLY,

1. We deny the application of Trans Borinquen Air, Inc., in Docket OST-00-6777 for authority to conduct foreign charter all-cargo air transportation.
2. Unless disapproved by the President of the United States under 49 U.S.C. 41307, this order shall become effective on the 61st day after its submission for section 41307 review or upon the date of receipt of advice from the President or his designee under Executive Order 12597 and implementing regulations that he or she does not intend to disapprove the Department's order under that section, whichever occurs earlier.¹

¹ This order was submitted section 41307 review on May 10, 2000. On June 30, 2000, we received notification that the President's designee under Executive Order 12597 and implementing regulations did not intend to disapprove the Department's order.

3. We will serve a copy of this order on the persons listed in Attachment A.
